# Permanent Final Expense Life Insurance

ULTRA PROTECTOR SERIES

# Individual, Permanent Whole Life Insurance Protection From \$2,000 to \$30,000

## **Death benefit up to \$30,000**

You decide how much protection you need and can comfortably afford. Choose a death benefit of \$2,000 or up to \$30,000.<sup>1</sup>

## **Individual, Permanent Protection**

It may be one of the safest kinds of protection you can buy! It's safe because you own the policy. And as long as you pay your premiums, your coverage is guaranteed for life.

## **Your Rate Does Not Increase**

The affordable monthly rate you start at will be the same monthly rate you'll pay for the life of the policy. Your rate will not increase with age or changes in health.

## **Your Coverage Will Not Decrease or be Cancelled Because of Age or Health**

This is permanent whole life protection. The amount of your death benefit does not decrease as you get older. And, as long as you make your premium payments when due, you cannot lose this valuable protection because you get older or because your health changes.

## **Protection From the Very First Day**

You are protected from the very first day your policy goes into effect. And, if you qualify for Ultra Protector I, your full death benefit is available as soon as your policy is issued.

If you don't qualify for Ultra Protector I, you may receive either an Ultra Protector II or III policy. With Ultra Protector II, the death benefit is modified (limited) in the first two policy years.<sup>2</sup> With Ultra Protector III the death benefit is modified in the first three policy years.<sup>2</sup>

## **No Physical Exam Required**

Your acceptance is based on the information you provide on your application. You will only need to answer a few medical questions on the application. There are no costly or embarrassing physical exams to take.

## **Builds Cash Value**

After your policy has been in force for a specified period of time, it builds cash value every year. This is your money that you can leave to grow or borrow to use as you see fit.

## **Choice of Beneficiary and Payment Date**

Pick who you'd like as your beneficiary and what date you would like to make your premium payments.

## **Coverage for Children and Grandchildren**

The Children's Term Rider (Rider Series 2147) provides term life insurance coverage on eligible children and grandchildren. Coverage amount ranges from \$1,000 to \$5,000 and lasts to the Insured's age 65 or the child's age 23, whichever is earlier. Then it may be converted to an individual policy. The child must be a natural, legally adopted, stepchild or dependent grandchild of the Insured. Grandchildren must reside with the Insured and appear as a dependent on the Insured's federal income tax return. This rider is optional and available for an additional charge on Ultra Protector I only. Not available in all states.

## **Accidental Death Benefit Provision**

An Accidental Death Benefit provision is included with Ultra Protector II and III policies at no additional cost.<sup>3</sup> With this extra protection, if death occurs as the result of accidental bodily injury in the first two policy years for Ultra Protector II or three years for Ultra Protector III and within 90 days of the injury, the full death benefit is payable.<sup>2</sup> Not available in all states.

<sup>1</sup>Depends on policy selected and eligibility at the time of application.

<sup>2</sup>State variations apply.

<sup>3</sup>Only applies to modified (limited) death benefit.
